

ACTING ON IMPULSE – *by Glenn Carmichael*

I see them occasionally
Mainly through glass
Often from the top deck of a bus
And I fall in love
Or I fall in love with the idea
of being in love

It's safer at a distance
A lot safer

And I can think of acting on impulse
And getting off my bus
And running over
And saying
"Look, I've never done this before,
but I saw you from the bus
And....."

Acting on impulse
Happens in underarm deodorant ads on TV
Happens in dumb movies
That people flock to see

Acting on impulse
Never happens to me
